What is Psi Chi?

Psi Chi is the National Honor Society in Psychology. Founded in 1929 for the purpose of encouraging excellence in scholarship, and advancing the science of psychology. Membership is open to graduate and undergraduate men and women who are making the study of psychology one of their major interests, and who meet the minimum qualifications. Psi Chi is a member of The Association College Honor Societies and is an affiliate of the American Psychological Association (APA) and the American Psychological Society (APS). Psi Chi's sister honor society is Psi Beta, the national honor society in psychology for community and junior colleges.

Purpose Statement

Psi Chi is a national honor society whose purpose shall be to encourage, stimulate, and maintain excellence in scholarship of the individual members in all fields, particularly in psychology, and to advance the science of psychology.

Mission Statement

The mission of Psi Chi is a well-educated, ethical and socially responsible member committed to contributing to the science and profession of psychology and to society in general.

Subtrends for accomplishing above mission:

- A. Advance science and the profession of psychology*
- B. Promote an educational experience consistent with the mission*
- C. Promote ethical and socially responsible members and leaders*
- D. Define and establish an organizational structure that promotes our mission*
